County Committee Meetings

County To Hold Vote On Champion Recreation Area

COUNTY COUNCIL MEETING

The regular April meeting of the Council of the County of Vulcan No. 2 was held on Friday, April 17. The meeting convened at 10:20 in the forenoon. Reeve Jack Deitz presided and Councillors F. E. Hubka, A. W. Ulrich, Ivan Haga, R. S. Irwin, A. McAllister, M. Willard, J. M. McKay, F. N. Thurber and D. A. McNiven were present. Also present at the meeting was D. D. McQueen, secretary-treasurer.

The council considered the school committee report. The school committee meeting had been held on Monday, April 13, and Mr. McKay gave the council particulars of some of the business which had been transacted, the number of teachers who had resigned, those who are coming on staff and other matters. It was noted that the school committee had unanimously recommended the naming of the Elementary School at Vulcan the Hazel Cameron Elementary School to commemorate the name of Miss Hazel B. Cameron who had taught in this school for over 30 years. This action had been highly endorsed by the whole community.

The School Committee had inspected the progress of the Central High School addition, and general satisfaction had been expressed that the work was progressing favorably. The committee had also inspected the teacherage sites at Vulcan and gave instructions to have the grounds landscaped and additional sidewalks installed.

It was moved and carried that the Court of Revision be held in the county office on Tuesday, May 26, 1964, at 10:00 o'clock in the forenoon.

A letter from the Secretary of the County of Wheatland in respect to subsidizing grasshopper poison was read. It was noted that the County of Wheatland and other districts in the immediate vicinity had been making a practice of subsidizing the grasshopper poison to farmers in an effort to obtain greater control of grasshopper infestation. This matter had been discussed by the County of Vulcan on previous occasions and no action had been taken to institute the policy of subsidizing this product in the county. It was moved and carried that the County of Vulcan continue its present policy of not granting any subsidy on pesticides, insecticides or weed poison.

The matter of pounds in the county was discussed and various opinions expressed as to the locations and number of pounds to serve the district. It was finally decided that the Service Board Field Supervisor would make a survey and the service board make a recommendation for the establishment of central pounds or otherwise at the next county council meeting.

The service board had also had some meetings with interested farmers in respect to soil drifting control. A good deal of information had been given and demonstrations had been held in the county on methods of soil drifting control. It was felt these meetings had been helpful and beneficial to farmers with this problem.

Mr. Irwin also reported in respect to the Blackie Seed Cleaning Plant and its problem of foundation deterioration and the extent of the repairs which are necessary.

The secretary reported that an offer had been made to the owners of a small parcel of land in the S.E. 15-26-4 for a nuisance ground and that the owners had stated that they did not wish to sell the eight acres. Mr. McKay felt that a greater effort should be made to obtain this land as it is badly needed for purposes of a nuisance ground in the Brant area, and instructions were given to the secretary-treasurer to make another appeal to the owners.

An application to subdivide a small parcel of land in the hamlet of Brant by A. B. Parker was considered. It was moved and carried that the Council of the County of Vulcan recommend the application.

The secretary-treasurer reported that a petition had been received prior to April 15, signed by some 65 ratepayers in the area affected, requesting that By-Law No. 432 be submitted to a vote of the proprietary electors before it is considered by the council. This by-law concerns the setting up of a joint recreation board in the Champion district.

By-law No. 436, a by-law to

authorize a vote of the proprietary electors under Section 326 (c) of the Municipal District Act, for the purpose of receiving votes for or against By-law No. 432, was introduced, read three times and passed.

It was moved and carried that the vote on By-law No. 432 be held on Monday, June 22, 1964, from 9:00 o'clock in the forenoon until 5:00 o'clock in the afternoon; that Earl Smith be appointed returning officer; that Poll No. 1 be located at the Champion Village Office and that Mrs. D. Keenan be deputy returning officer; that Poll No. 2 be located at the Alfred Rupp residence on the S.E. 15-15-22-4 and that Alfred Rupp be deputy returning officer; that Poll No. 3 be located at the Raymond Fath residence on the S.W. 4-15-24-4 and that Raymond Fath be deputy returning officer; that on Wednesday, June 24, 1964, at 12:00 o'clock noon, the returning officer, at the county office, Vulcan, will sum up and declare the result of the vote.

At 2:00 o'clock in the afternoon, By-law No. 437, a by-law to authorize the expropriation of certain lands in the N.W. 34-14-22-4 for the purpose of a roadway, was introduced and read a first time.

Mrs. Gertrude B. Scott, registered owner of the land referred to in the by-law, accompanied by her husband, J. C. Scott, was present at the meeting and made representation to the council opposing the passing of the by-law to expropriate the land. Mr. Scott presented

(Continued On Page 9)

Light Horse Association Names Officers

John Isley was elected president of the newly organized Vulcan and District Light Horse Association at a meeting held Thursday, April 30.

Other officers of the group are Mabel Gibson, secretary-treasurer; Bob Cutler, vice-president; Bruce Daniels, Bob Loose, Norman Hilz and Jack Deans, directors.

The meeting was attended by about 25 adults and membership fees were set at \$2.50 for senior members, \$1.00 for juniors and \$5 for family membership.

Object of the association is to encourage and teach riding and horsemanship.

Dean Campbell Dies At Edmonton

A brother of Dale Campbell and former resident of Vulcan, Dean Perry Campbell of Edmonton died on Friday, May 1, at the age of 66.

He had lived at Olds, Claresholm and Vulcan before moving to Edmonton. He is also survived by his wife, Grace; a daughter, Mrs. W. J. (Doris) Watt and a son, Cameron, both of Calgary, and seven grandchildren.

Services were conducted by the Rev. D. A. Sharpe at the Vulcan United Church on Tuesday, May 5 and interment was in the Vulcan cemetery.

Snodgrass Funeral Home was in charge of arrangements.

Mr. and Mrs. Ed Berno of Calgary are shown in this picture on the occasion of an Imperial Oil Ltd. banquet at the Palliser Hotel, Calgary, when Mr. Berno was one of four Imperial Oil men presented with a ten-year gold button to mark his ten years of service with the company.

Mr. Berno worked as a surveyor on the Travers Dam near Champion in 1951, with the PFRA. His wife is the former Loretta Peterson of Milo.

HOCKEY STARS OF TOMORROW

Junior Hockey Awards Given

Four young Vulcan boys were the envy of the gang on Saturday, April 25, when they were presented trophies at the Vulcan District Junior Hockey Association awards party held at the Vulcan Theatre prior to the afternoon movie feature. The boys were Dez King, McKay, Bruce Stoddard and Norman Schneider.

A free show and refreshments were enjoyed by about 42 members of the six teams which competed in the junior hockey circuit during the winter. This entertainment was sponsored by the Association which paid for the show, Bassett's Jewellery which donated pop and engraved the trophies and by the firm of Richardson and

Gould Ltd., which put up the trophies for competition. Presentation of the trophies was made by Bill Richardson who congratulated all the boys present for their enthusiasm and co-operation in making this young local hockey association a successful venture. He cautioned the group against the dogma of "Win at all costs" which is so prevalent in sports today. Rather he felt, they should do their best, whether on the ice or in their classrooms, and concentrate on participation rather than a place on the sidelines.

Keith Fisher is president of the sponsoring hockey association with Morley Scobie as vice-president and Gordon Brown, secretary. Giving active help in coaching and

managing during the past season were Harry Stoddard, Stan Wickstrom, Ray Moore, Bob Johnston, Bob Gerding, Rev. V. Cowell, Rev. D. Sharpe and Vernon Jordan.

This introduction of an awards day for the approximate 100 boys who took part in hockey was felt successful by its sponsors who look forward to giving greater emphasis on recognition in an enlarged event next year. Biggest hazard to the Association's future is the present lack of artificial ice at the arena but hope is held that this can be rectified by the present drive of the Vulcan and District Recreation Centre towards a community centre project which includes an artificial ice arena.

At Carmangay, agent Bert Blimie reported two inches; at Cham-

UAC Scientists Interested

40 lb. Meteorite Fragment Deemed Important Find

Discovery of a rare meteorite from the vicinity of Mars or Jupiter was revealed recently by UAC scientists.

The 40-pound fragment was discovered two years ago in a farm field, 15 miles north-east of Vulcan, but came to the attention of the university only recently.

Dr. T. A. Oliver, UAC geologist, said the meteorite is one of 25 discovered in Canada, of a total of 1,500 found in the world.

The find was made in 1962 by Vulcan farmer N. K. Budd while ploughing a field.

Mr. Budd did not realize the importance of the discovery until his wife attended UAC's Open House earlier this year and saw photographs of meteorites.

Dr. Oliver said the age of the fragment found in Alberta is not known, but previous meteorites have been estimated to be four billion years old.

The UAC geologist said the fragment found at Vulcan may be only part of a meteorite shower.

He asked farmers in the area to look for other parts for the university.

Dr. Oliver said current scientific interest is mounting in meteorites in connection with space research. Geologists are interested because a meteorite's composition resembles the material of earth's core.

"Study of the meteorites may yield information about the deep interior of the earth," he says.

Dr. Oliver said the meteorites are believed to come from a Mars-

Jupiter asteroid belt, which occasionally intersects the earth's orbit.

The meteorite showers or fragments may come from planets which have gone through similar stages of development to the earth's and then disintegrated.

The meteorite found at the Budd farm is angular in shape, about a foot long, eight inches wide.

Stone-like in appearance, it contains about 15 per cent nickel and iron ore and will respond to a bar magnet.

Golf Course In Top Shape For Season

The golf season is now almost old and local club swingers are in a frustrated position. The weather so far has permitted just a game or two, enough to sort of wet their whistles, but who in this farm area, would ask the clouds to lift for a week or so yet.

The rains will give the grass on course a start it hasn't had in years and this in turn gives for increased optimism for the coming season. The course has been recently fertilized and the greens are reported in good shape.

The popular men's golfing league which was a steady Tuesday night feature last year, is being drawn up again and an attempt will be made to begin play on May 19. This is open to all members of the club and the executive is hoping for a big run of entries this weekend.

Ray Scott is clubhouse steward this year and has made renovations to the downstairs locker room and is stocking supplies in the club pro shop.

Life is like a mirror; it never reflects more than we put into it.

Former Telephone Manager Here, Roy Greene Dies

Harry LeRoy (Roy) Greene, well known former resident of Vulcan where he was A.G.T. manager for many years, died at Victoria, B.C., on Sunday, May 26. He was 72 years of age.

Born in Clarinda, Iowa, he had lived at Vulcan, High River and Edmonton before retiring to Victoria seven years ago.

He is survived by his wife, Helen; a son, Donald, at Edmonton; two daughters, Mrs. H. L. (Phyllis) Dasher, Atlantic Beach, Florida, and Mrs. J. (Margo) Tupkal, High River; and nine grandchildren.

Services were held in the Memorial Chapel of Chimes, Victoria, on Friday, May 2, with Rev. Canon F. C. Vaughan-Birch officiating. Interment was in Royal Oak Burial Park.

Art Exhibit Here Saturday

The results of a year's painting by local artists will be on display this Saturday afternoon as the ten members of the Community Art Class stage their annual exhibit in the basement of St. Aldhelm's Anglican Church.

As has been the case since he joined the staff of the University of Alberta in 1954, Professor Harry Wohlforth, Assistant Art Professor, Extension Department of the U. of A. has given instruction during the seven classes held this season. Professor Wohlforth has a distinguished record of teaching in Canada and abroad and has found enthusiastic response from his local class.

Members of the group are Mary Scott, Mary Stein, Helen Giles, Edna Warren, Audrey McGrail, Della Doane, Ethel Steiner, Mae Todd, Mary Ruark and Romona Pickersgill.

Best Since 1959

Moisture Conditions Good Following Weekend Rain

A most welcome weekend rain that covered most of Alberta and Saskatchewan has greatly improved moisture conditions, particularly in Southern Alberta, and spring seeding will be in full swing just as soon as fields are dry enough.

In the County of Vulcan area, scattered showers in the earlier days of last week brought a half-inch or more of moisture in some districts, while other districts got only a trace of rain. But starting on Saturday a slow, drizzling rain started to soak the ground and continued fairly steadily until Tuesday of this week, with all parts of the county receiving the welcome moisture. According to precipitation records, it was the best May rain to fall in this part of the province since 1959 and moisture conditions for spring seeding are now considered very good.

At Vulcan, the official precipitation records kept by Larry Hagg of the Alberta Wheat Pool No. 1 elevator show that from Thursday to Tuesday total rainfall was 1.61 inches, but districts that received the earlier showers in many cases report rainfall for the week of over two inches.

Government records kept by David B. Sim of the Berrywater district north-east of Vulcan show that the heavy weekend rain totaled two and a half inches in that district. Mr. Sim's records also show that in April snowfall amounted to eight inches and rain to 28 of an inch.

On Tuesday, the Advocate checked by telephone with Alberta Wheat Pool agents at the villages in the county and their reports show that the rainfall varied from one and a quarter inches to two and a quarter.

At Carmangay, agent Bert Blimie reported two inches; at Cham-

pion, Ken Stephenson reported the rainfall was from one and a quarter to one and a half inches in that district; at Milo Harvey Chaffee reports 1.8 inches; at Lomond, John Gray reports 2.25 inches; and at Arrowwood Hank Walsh reports approximately two inches.

Roy Deal Is New President Vulcan Lions

Roy Deal has been elected president of the Vulcan Lions Club, succeeding Evan Munro.

Other officers elected at the last meeting of the Lions were:

Arthur Jones, 1st vice-president; Ben Dann, 2nd vice-president; Jack Price, secretary; Elwood Myers, treasurer; Dr. Everett Hill, talltwater; Charles Boutland, assistant talltwater; Carl Steiner, Lion tamer; Fred deJong, assistant Lion tamer; Howie Klippert and Norm Bucholtz, one-year directors; Morley Scobie and Lawrence Haga, two-year directors.

"Things I Like"

I like ice cream with double-dip topping.
I like to eat watermelon without stopping.
I like to ride horses when they are trotting.
I like it in school when I am talking.
I like to turn cartwheels and stand on my head.
And I like to retire at night to my bed.

(Joy Griffin, Grade 4, Champion)

Four of what is hoped to be a long string of junior hockey trophy winners are pictured above as they received awards Saturday, April 25, at the Vulcan Theatre for hockey achievement throughout the past winter. Organiser of the awards party was the Vulcan District Junior Hockey Association and Bill Richardson whose firm is donor of the trophies is shown with this year's winners. They are, left to right: Desmond King, Grant McKay, Bruce Stoddard and Norman Schneider.

Carmangay To Get Dial Phones, Direct Distance Dialing May 17

On May 17, 1964, at 12:01 a.m., Alberta Government Telephones will bring dial telephone service and direct distance dialing to Carmangay.

Total cost of the project has been set at \$47,000. Of this amount, \$45,000 is being spent on dial equipment. Outside plant facilities are being installed at a cost of \$2,000. Other expenditures will go towards cables, aerial extensions, tool and exchange facilities, outside plant equipment, and miscellaneous circuits.

The costly installations that will soon be put into service are a far cry from those in use when the office was first opened. In the early days, one small switchboard and a few magneto phones were sufficient to serve the needs of the entire community.

Carmangay has grown, through the years, to the point where there are now over 180 telephone subscribers. This growth is expected to continue, and it is estimated that the number of subscribers will increase to 360 within the next five years.

Seven-digit numbers are to be used on the new phones. All numbers will start with the same three digits—643. Use of the seven-digit numbering system will make it possible for Carmangay to be included in the direct distance dialing network which covers Canada and the United States.

The combination of dial phones and DDD will provide Carmangay the fastest, most efficient, and most convenient telephone service available.

Rink Purchase By Rec. Centre Fails

The Vulcan and District Recreation Centre's drive to set up a community centre here in town is aground again.

During the last several months negotiations have been made with interests in Calgary for the purchase of Meadowlark curling rink, its dismantling and re-assembling at Vulcan. Outside problems involving Oxford Leaseholds, who

are developers of the land on which the rink is now situated, and the City of Calgary have stalled local efforts for several weeks and last Friday the Recreation Centre directorate were informed another bidder had been successful over Vulcan's.

The name of the other bidder was not disclosed, nor was the amount of the winning bid, but

the rink was purchased by a Calgary group and it is thought its new home will be a few blocks north of its present site in South Calgary.

The local Recreation group feel the delays caused by the wrangling between Oxford Leaseholds and the city may have hurt their chances on the building and it lost for them the financial assist-

ance which would have been available earlier under the Winter Works program, had the deal gone through.

When contacted this week Recreation chairman Pat Walker expressed disappointment in the outcome of negotiations but said, "We have other irons in the fire" and planned a meeting this week to discuss the next move.

Several local residents went to Arrowwood to see the show The Drylanders.

The members of the Daub family recently held a surprise birthday party at the Al San Club in Calgary in honor of Mrs. Daub on her 80th birthday.

Get well wishes are extended to Kay Hagedorn who is a patient in the Vulcan Hospital.

Blank heading Moore continuous forms in stock at the Advocate.

District News**ARMADA**

Sympathy is extended to the Wendell Hanna and Hughie Hanna families on the death of their brother and uncle, Christian Holo, last Monday in High River.

Mr. and Mrs. Raymond Beagle were Lethbridge visitors last Thursday.

Mr. and Mrs. Stan Marks and Gary were Calgary visitors last Tuesday.

Mr. and Mrs. Charlie Stokes of Calgary and Mr. and Mrs. Prentice of Youngstown, Ohio, were visitors in the district last week for a few days.

Herb Craine is now the new secretary of the Lomond Grazing Association.

A most welcome rain started to fall last Thursday and turned into a three-day rain over the weekend. Sheila Lucas spent the weekend at the home of Glenda Sealock.

Mr. and Mrs. Glen Sealock attended the Legion dance in Vulcan Friday night. The Rangeland Five supplied the music.

Linda Lucas of Cluny spent the weekend at the home of her parents, Mr. and Mrs. Bill Lucas.

Mr. and Mrs. Vergil Chambers of Edmonton were recent guests at the home of Mr. and Mrs. Stancil Chambers.

Mr. and Mrs. Horace Bennett were recent callers at the home of Mr. and Mrs. Stancil Chambers.

Mrs. Gwen McCord and daughter of Calgary were weekend visitors at the home of Mr. and Mrs. Bill Sparks.

Mr. and Mrs. Sparks and family of Bow City have moved back to the Armada district.

Sunday dinner guests at the home of Mr. and Mrs. George Stokes were Mr. and Mrs. Stan Beingsner and daughter and Mrs. Maureen McLeod and daughter of Champion, Mr. and Mrs. L. Erickson of Calgary and Mr. and Mrs. Herb Craine and girls.

Chuck Stokes and Donnie Beagle attended the Grand Ole Opry at Calgary on Saturday evening.

Mr. and Mrs. L. Erickson and Linda were overnight guests at the Herb Craine home last Saturday.

ARROWWOOD

There have been several people from the district in the hospital this weekend. Those who are in or have been in are Mrs. George Riches, Mrs. F. H. House, Howard Salter and Hank Anderson.

The Arrowwood Booster Club held their regular meeting at the home of Mrs. Leigh Williams on Tuesday. It was decided to post the rental for dishes etc. from the hall in the kitchen at the hall so anyone wanting to borrow them would know. Scrabble was played following the meeting. Lunch was served by Paulette Cochrane and Myrtle Williams.

Pete Brown attended the Sportsman Dinner in Calgary last Monday night.

A very good crowd attended the show, The Drylanders, on Monday night at the hall.

Several of the Young People from the United Church spent Saturday at Gleichen where they entertained the Hi-C group from Woodcliff United Church, Calgary.

The Girl Guides were out selling cookies on Saturday.

Get well wishes go to Gene House and friends wish to see him back home soon. Gene is a patient of the Baker Memorial Sanatorium at Calgary.

Jay Beagle visited in Arrowwood this past week.

The Brethren Church ladies had a clean up day at the church on Thursday.

The Guide and Brownie Association had a meeting on Friday. Reports were heard from those who attended convention in Banff.

Several of the guides and association members attended the district meeting at Nanton last Tuesday.

It was decided to have a May Tea on Friday, May 15. Guide camp is set for July 27 to Aug. 3 this year.

MILO

Sent to the Lutheran World Relief recently was 150 pounds of used clothing.

Brian Bittorf of Edmonton spent the weekend at the home of his parents.

Mrs. Robbie Thomson accompanied by Linda Page motored to Calgary on Saturday where they met Robbie, who flew home from Ottawa.

The sportsman's dinner sponsored by the Students' Union on Saturday night in the school auditorium was well attended. Some tumbling was displayed.

Mrs. Clara Kingsmith of Calgary was a weekend visitor at the home of her sister, Mrs. Gladys Phillips.

The Milo Home and School May meeting will be held on May 14 at 2 o'clock in the afternoon. A display of tumbling will be given by Mr. Olsen. Election of officers will take place and a bake sale is to follow.

Dale Phillips who has been attending university at Edmonton has completed his course and returned to his home at the weekend.

Those people attending the Lutheran Convention at Lomond on Saturday were Mrs. Mel Schaub, Mrs. Keith Wagner, Mrs. Bill Deitz, Mrs. Dave Deitz, Mrs. Bob Deitz and Mrs. Bruce Henry.

Several sections of new cement sidewalks are being constructed in the village.

Mr. and Mrs. Vic Bertrand were Calgary visitors this week.

Mr. and Mrs. Glen Dishaw were Calgary visitors this week.

Mr. and Mrs. W. D. Watt returned to their home in Calgary, Friday after a two-week holiday visiting friends in Moose Jaw, a trip to Regina and spending several days in Milo with relatives.

ALSTON

Mr. and Mrs. Bill Wylie and family were Sunday guests at the home of Mr. and Mrs. Don Huie.

Mr. and Mrs. Lorne Roemmele and Brian and Mr. and Mrs. Dennis Roemmele of Olds attended the curling dance in Carmanagay on Friday and stayed at the George Mueller home until Saturday.

Sunday guests at the George Mueller home were Mr. and Mrs. Hartley McDonald.

Olga Neilson spent Sunday at the home of her son-in-law and daughter, Mr. and Mrs. Jim Carlson.

Mr. and Mrs. Emery Mueller and family spent last weekend in Medicine Hat.

Kenneth Hubbard, grandson of Mr. and Mrs. Roger Hubbard, of Quesnel, B.C., spent a few days at their home.

Mr. and Mrs. Lyle Hubbard and family of Vulcan spent Sunday at the home of Mr. and Mrs. Roger Hubbard and Dorothy Williams and girls of Calgary spent the weekend with her parents.

REVVY FENCE DESIGNS

A good "Revy" fence has many values — it'll give you protection and beauty. But it can do other things for you too. Your "Revy" fence can add dignity to your property and pride of ownership by clearly marking what is yours and what is not. It can keep children and pets in or out, as the

case may be. Most important, it gives you privacy. Today, privacy means you should be able to have your home and yard to yourself day or night. You should be able to putter around the garden, soaking up the sunshine without distracting a neighbor. Come in and inspect our many fence styles and select one to suit your home.

If you wish something special for the outdoor living area, ask to see our booklet—
"GATES AND FENCES"

Remember— You Can Budget Your Fence Purchase.

**HERE'S HOW TO CHECK
SNAP-BACK**

Sell the snap-back as well as the stretch in nylon stretch pants. The capacity to recover quickly and completely is as important as the power to expand. Du Pont of Canada point out.

An excellent or good snap-back is virtually synonymous with a built-in resistance to bagging at the seat and knee.

Here is a simple thump test which can be used to obtain an indication of any stretch pants' recuperative power following prolonged sitting and bending. Sales staffs can use it to demonstrate anti-bagging to customers and buyers can employ it as a quality check.

Insert the thumb inside the slacks and pull the fabric taut over it. Pull hard in the direction of the stretch. Hold for a second, then release.

If there is no sign of a "bubble", the fabric's "bounce to the inch" is excellent or very good. If a trace of "bubble" remains on the first inspection but quickly disappears before your eyes, the snap-back rating is good or fair. If the "bubble" persists after 30 seconds even though it has diminished somewhat in size, the pants have been made of a "lazy" fabric with a poor or very poor recovery rating.

Many factors can be a fault in the production of a lazy stretch fabric — inaccurate loom tensions, inadequate filling techniques or types of yarns, improper finishing methods — that it is difficult to pin-point the culprit outside of a well-equipped textile lab.

However, nylon's "memory" never fails a well-constructed stretch fabric. This is because it is a thermoplastic fibre which can be heat-set to assume a permanent shape.

Stretchiness in woven pants can vary from 15% to more than 40%. Between 20% and 30% is regarded as the optimum amount for leisure wear.

Although almost any type of stretch slack can be worn for bowling, those best suited are tailored from sturdier fabrics with a stretch ranging between 25 and 30.

Skiing and curling pants are in an entirely different category. Here warm, rugged fabrics with a stretch of 35 to 40% and an uncompromising snap-back are prerequisites.

Stretchiness percentages can also be demonstrated for customers with an ordinary yardstick. Begin by measuring off 10 inches in the leg of the pants. Then, holding the fabric fully relaxed between thumbs and forefingers, stretch it with the right hand along the measuring stick as far as it will go. If the fabric can be extended to 14 inches from an original position of 10 inches, the pants have a stretch of 40%. If the fabric expands 2 1/2 inches, they have 25% stretch, etc.

However, it isn't the amount of stretch that counts but the speed and totality of snap-back. Remember the knits which could be stretched almost to the moon and practically stayed there when the fabric was relaxed?

Because drinking
contributes to so many
accidents...

ADVOCATE CLASSIFIEDS BRING SPEEDY RESULTS

Former District Resident Bride At Alix Wedding

A double-ring ceremony was performed by Rev. R. Warren at the United Church, Alix, on Saturday, April 11, at 3:30 p.m., when Sharon Lee, eldest daughter of Mr. and Mrs. Lee Richardson was united in marriage to Alder George Nielsen, youngest son of Mrs. Alice Nielsen and the late M. R. Nielsen of Alix.

Given in marriage by her father, the bride was lovely in a nylon chiffon over taffeta with lace elbow-length jacket.

Her chapel veil was held in place by a crown coronet. She carried a bouquet of red roses, and rosebuds decorated the satin streamers.

The bride's jewellery was a pearl necklace and earring set, a gift from the groom.

The bridesmaid, Miss Denna Nielsen, wore a pink chiffon frock, and carried a bouquet of yellow roses.

The best man was Eric Nielsen, brother of the groom. Ushers were Allyn Nelson and Johnson Richardson, all of Alix.

Organist for the wedding music was Mrs. Donald Rix.

A reception followed at the home of the bride's parents.

The bride's mother chose a three piece beige and brown suit, with a corsage of yellow roses. The groom's mother wore a brown crepe dress, with a corsage of yellow roses. The bride changed to a

NIelsen — RiChardson

navy suit.

Out of town guests came from Champion, Vulcan, Calgary, Joffre, over 85 guests signed the guest book.

Open house was held at the home of Mrs. M. R. Nielsen, where

District News

CHAMPION

HOME & SCHOOL ASSOCIATION

A general meeting of the Champion Home and School Association was held in the auditorium of the school on April 20. The meeting was opened by the reading of The Aims and Objects of Home and School.

After a short business meeting, conducted by Allan McLean, vice-president of the association, Bill Shields of Vulcan gave a very interesting and informative talk on Your Community, Your Youth and Yourself. He stressed that these three things were very closely tied together and were the responsibility of all parents in any community.

Earl Brinton, president of Champion Home and School, attended the convention in Red Deer from April 14 to 17. His report will be given at the next meeting.

LADIES AUXILIARY

At a recent meeting of the Ladies Auxiliary to the Royal Canadian Legion it was decided to have an essay contest. Grade eight students will be asked to write an essay on a suitable subject which will be chosen by Mr. Cummins, school principal. A first prize of \$10 and second prize of \$5 will be offered.

The Ladies Auxiliary is planning a strawberry social to be held on May 16, at the Champion Public Library. Bedding plants, both flower and vegetable, will be sold the same day.

LOMOND

MISCELLANEOUS SHOWER

The dining room of the Lomond Community Centre was the setting for a delightful miscellaneous shower on Wednesday afternoon, April 22, held in honor of a recent bride, Mrs. Joe Comar.

The tables were decorated with flowers and the gift table featured blue and white bells and streamers centred with a dainty parasol under which were piled the many gaily wrapped gifts. Several bingo games and some amusing contests were held.

The presentation of gifts to the bride was made by Mrs. Leona Jones. She was assisted in opening the gifts by Mrs. Marie Zambaldi with Mrs. Leonard Huff recording the gifts in the guest book.

After a fitting thank you from the guest of honor a lovely lunch was served by the social committee of the two sponsoring clubs, the Good Will Service Club and the Lomond Community Club.

TRAVERS

Bill Watson was home over the weekend from Sanguo and Mr. and Mrs. Watson attended the banquet and dance at the Lethbridge Junior College where their daughter Rita, is a student.

Mrs. Ivan Steeves and Brian of Travers and Mr. and Mrs. Raymond Croteau and Steven of Calgary left last Thursday for Waterford, Ont. While there, they will attend the 50th wedding anniversary of Mr. and Mrs. W. Cooper, Mrs. Steeves' parents.

Grandma Murphy is a patient in St. Michael's Hospital in Lethbridge. Also in the hospital is little Marcia Watson.

Gordon George of Travers drove Mr. and Mrs. C. Caldwell and Shirley of Rainier to Red Deer on Sunday. Shirley has been a student in the education field at the Lethbridge Junior College and will

be working in Red Deer for the summer.

Mrs. Jack Brooks and Lorna Brooks of Enchant, Mrs. Calvin Seebeck of Carmangay and Mrs. Gordon George of Travers attended a shower held in the Sundial Community Centre last Friday. The shower was in honor of Miss Karen Arrowsmith and Richard Delmuth. Miss Arrowsmith is a cousin of Mrs. George.

A few of the WIGC members spent last Thursday afternoon participating in a demonstration of pottery given by D. Andrews. The girls had a very enjoyable afternoon and each one was given the opportunity to make a dish and a necklace. The next meeting will be held on May 9, in the Travers Club House.

The newspaper is the primary medium people can consult for a buying decision.

It's Spring Check-Up Time

Check Your Heating System NOW

1. CHECK YOUR FILTERS:

Furnace filters should be checked or replaced at this time of year. This can be a "do-it-yourself" job for the average home owner. If you prefer, call your heating contractor, plumber or furnace serviceman.

2. CHECK YOUR CHIMNEY:

Loose mortar, soot, and other debris may have accumulated in the chimney, thus blocking free passage of the products of combustion. (Check this if you have recently converted to gas.)

3. CHECK ALL VENTING PIPES:

Carry out this check at least twice a year. The pipes may have slipped out of the chimney or they may extend too far into the chimney, thus blocking the end of the vent pipe. They may also have pulled away from the furnace or other appliance. Badly corroded pipes should be replaced.

4. DON'T MISUSE GAS APPLIANCES:

Do not use a gas range to heat a room. Use a proper heater designed for this purpose.

5. BE ALERT TO THE DANGER SIGNALS:

Smarting of the eyes, nose irritation and unpleasant odors are indications of fumes in your home. All appliances must be vented to the outside atmosphere, except refrigerators, dryers, and ranges approved for use without venting.

6. DON'T TAMPER WITH GAS APPLIANCES

Don't take chances. Don't alter or install gas appliances or piping yourself call a qualified plumber or heating contractor, or your Gas Company serviceman.

LEAVE YOUR FURNACE PILOT LIGHT ON

- Reduces chance of rust
- Helps keep basement moisture-free
- Keeps furnace ready for unseasonal cold snaps

Your home heating system has been working hard all winter. Spring is the time to make certain everything is "ship-shape" for the months ahead.

CHAMPION

Mr. and Mrs. Richard Steeves from Bashaw, Alta. are visiting at the Don Steeves home and other relatives over the weekend. Richard is teaching at Bashaw High School.

Mr. and Mrs. Don Steeves entertained last Sunday, serving a turkey dinner for 32 guests.

Mr. and Mrs. Ted Hames went to Edmonton to bring Marion home from the University at Edmonton for the summer holidays.

On Tuesday evening the Brownie and Guide leaders and five members of the local association attended a meeting in Nanton's Scout Hall. It was a very informative meeting with members in attendance from all the towns concerned. The object of this meeting was to find a suitable name for this association which covers a territory from Carmangay to Arrowwood and High River to Lomond. The Nanton local served a delicious lunch.

Ernie Kranzler had the misfortune of cutting off his little finger while wood cutting last Tuesday evening. Ernie spent a few days in the Vulcan Hospital, but is now back at work.

The Grade 3 class with their teacher, Mrs. Sanderson, once again spent an hour entertaining parents. The class had just finished an enterprise project on Japan and gave reports on this subject. They also sang a number of appropriate songs and gave verses in unison.

Mervyn Smith was a hospital patient in Carmangay for a short time this week.

Mr. and Mrs. E. H. Griffin and daughter Ethel were Sunday visitors at the home of their son, Walter J. Griffin and family.

Mr. and Mrs. W. J. Griffin and family were Edmonton visitors recently. On their return they visited Mr. and Mrs. Bud Siler and family at Wetaskiwin.

Mrs. George Davies of High River visited at the home of W. Griffin and family recently.

Mr. and Mrs. Walter Griffin and family visited Mr. and Mrs. Ed Nelson of Red Deer recently.

New officers are: L. Monner, president and Buster Armstrong, vice-president. The company has advertised for a secretary-treasurer.

Residential phones rentals were set at \$3.00 per month and Queenstown, non-shareholders, elevator companies and Seed Cleaning Plant — \$4.00 per month until the dial system is put into effect. Each company will send out their respective notices for the month of April.

The books will be cut-off as of April 15th, at which time they will be audited and turned over to the secretary-treasurer of the new company, Milo Mutual.

Mrs. Clara Kingsmith is visiting with relatives in the district and was among the many who attended the High School Sportsmen's Banquet at Milo on Saturday evening.

The district was sorry to hear that Stanley Brown is a patient in the Belcher Hospital.

George Kingsmith visited with friends and relatives in the district the latter part of April. George has recently returned from holidaying in California.

Get well wishes go to Gary Morris who was confined to bed last week with an injured knee.

Rain was general over the district the latter part of the week and remained continuous over the weekend. Monday morning the Alta. Pacific Grain Co. reported a total of one and one quarter inches of rain during the four day period.

The Babe Ruth league was to start its schedule on Tuesday of this week but will be cancelled due to the rain. First game was to be a home game vs. Vulcan.

DENTAL ARTS
DENTAL LABORATORY
Ste. 4, Metropolitan Bldg.

ART DIETRICH, Manager

FAREWELL PARTY

Mr. and Mrs. Clarence Nelson were guests of honor Friday evening of last week when the Champion community gathered at the Community Hall to bid them farewell.

A pot-luck supper was enjoyed by a large crowd. The honored couple were presented with a purse by their friends with very good wishes for a happy future.

Mr. and Mrs. Nelson have operated a hardware business in Champion for the past years and now plan to visit relatives in Oregon and other points before settling in Calgary.

LIONS CLUB NAMES OFFICERS

On April 27, the Lions held a work party before the meeting to repair the seats in the hall. Election of officers was held with the following results: President, Ron McGrail; 1st vice-president, Phil Fath; 2nd vice-president, Gordon Davey; 3rd vice-president, Cecil Rhodes; secretary, George Ellis; treasurer, Joe Keenan; tail twister, Wilbur Matlock; lion tamer, Jim Jordan; two year directors, Max Groves, Ernie Farrell; one year directors, Alf Rupp, Martin Matlock. Cliff Miller and Bill Wolfe will coach the Little League ball team and Terry and Doug Rhodes are the coaches for the Babe Ruth team. They would like help to umpire the games.

Recently a work party was held when 140 trees were planted in the town park.

C.W.L. MEETING

The regular monthly meeting was held at the home of Mrs. A. Degenstein with 11 members and Father Marien, who opened the meeting with the League Prayer.

It was decided to cater to a family dinner for Mr. and Mrs. Steve Fath's 50th wedding anniversary in June.

The annual meeting followed with election of officers being held and are: President, Mrs. John Hunziger; 1st vice-president, Mrs. Harvey Fath; 2nd vice-president, Mrs. Bach; 3rd vice-president, Mrs. P. Fath; secretary, Mrs. Raymond Fath, and treasurer, Mrs. W. Matlock.

Lunch was served by Mrs. Matlock and Mrs. Degenstein. Tea prize was won by Mrs. Sisson.

QUEENSTOWN

The Milo Central Home and School executive decided to have a bake sale at the next regular meeting to be held on May 14th at 2:00 p.m. at the Milo school. There will also be a display of tumbling and election of officers.

MILO MUTUAL

TELEPHONE COMPANY
The three Mutual telephone companies, namely: Milo Mutual, Queenstown Mutual and Lake McGregor Mutual, were amalgamated at a regular meeting in the Milo hall on Monday of last week.

MAJORVILLE

Mr. and Mrs. Harold Northcott attended the graduation at the Tech. in Calgary on Friday where their son Darrel was one of the graduates in Industrial Electricity. Congratulations go out to Darrel who has been employed by Calgary Power.

Congratulations go out to Arvid Thompson who graduated in Agricultural Mechanics at the Tech.

Mrs. Irvine Sukut was substitute teacher in Milo for several days last week.

Mr. and Mrs. Bill Beckner and family were dinner guests Sunday of the Bob Kunkels of Armada. Many people from the district attended the sportsmen's dinner at the school in Milo Saturday evening.

Mrs. Alvin Larkin and children visited the former's parents, Mr. and Mrs. Lewis Greaves for several days last week.

Best wishes go out to Mrs. Lawrence Monner who has been a patient in a Calgary hospital this past week.

Mrs. Jessie Unscheid and Granny Burk motored to James River Bridge Thursday to attend the 90th birthday party for Ernest Burk at the home of his son Delose. Mrs. Charlie Shield accompanied Mrs. Unscheid to Rocky Mountain House where she will visit her father for a few days.

Mr. and Mrs. Chester Thompson

and Elmer attended funeral services for the late Mrs. Ella Nelson of Didsbury at Olds on Wednesday. Those people interested in Home and School are invited to attend the annual meeting to be held at the school on May 14. There will be a discussion on sports in the Junior High grades, a display of Calgary visitors on Saturday.

'64 Comet — for people who have more fun than money

Model illustrated 2-door Caliente Hardtop, one of the Ford Family of Fine Cars made in Canada.

Fun is a carefree week-end by the water. (You arrive in style in your beautiful Comet—relaxed, refreshed, ready to join in the fun.)

Fun is a wind at your back, open water ahead and a bright, cloud-flecked sky above. (There's mighty smooth sailing in a Comet, too. Steady, obediently responsive to the 'helm'.)

Fun is admiring the sleek lines of a taut, trim craft. (The crisp, clean styling of the rakish Comet presents an ever-present invitation to adventure. Just cast off and cruise.)

Fun is sitting in quiet contemplation, with the surf swishing in and out on the sands. (And Comet doesn't interrupt your reverie when you leave. You're carried away smoothly, silently in gentle Comet comfort.)

Fun is a visit to your Mercury dealer (to discover how economical all this fun can be.)

'64 COMET

An Awakening

To the delight of many, the Vulcan area in the past year has shown signs of awakening to the concept that live local music can be just as important a part of community life and enjoyment as are sports, clubs, lodges and the myriad of other diversions which engulf the spare time of all.

For years, practically the only show of music locally has been from a few pianists and the odd vocalist who have stubbornly worked at music and derived some measure of recognition and achievement. It is to the credit of teachers, students and parents that these young musicians survived for they will be first to admit they were all alone in something of a musical wasteland into which this and other areas slipped.

Now the scene appears on the verge of change. Of great importance is the addition of music to the school curriculum. A full time consultant is developing music knowledge and appreciation at all levels of schooling. Recently the second school choral festival was heard by outside musical authorities in which room teachers led their own pupils through selections. The school glee club has been compared favorably with city school groups. This is encouraging.

At the community level, since Vulcan's 50th Anniversary celebration last year during which three outside bands were featured, the establishment of the County's own band organization, both junior and senior calibre, has done much to liven the musical scene. The growth of the band movement has been spurred on by the presence of the bands in concert here. These groups have generally been well received but what is more important is the fact that about 65 young people and adults have undertaken as a hobby, the task of learning to play an instrument themselves.

And so it was happy coincidence that the Training Command Band of the RCAF, one of three airforce bands in Canada, was steered to Vulcan for two concerts recently. The demonstration of instruments and makeup of the band was shown the students during an afternoon concert and this was of great benefit to budding instrumentalists in the audience. Its value went even further. Listening to the band on the stage was in a sense, a demonstration of the end product to which the teachers are trying to guide pupils. Not that any or all of them will take an instrument and master it as completely as the musicians on stage. However if this association with music either by playing an instrument or by hearing, live, music above the guitar level, can instil in our youngsters, nothing more than an interest and enjoyment of it, then we will have given them a gift and done them a favor that money cannot buy.

Good Insurance

The value of a local Civil Defence (Emergency Measures) Unit was demonstrated at Nanton during the recent blizzard when the Nanton Civil Defence Unit efficiently took over the welfare and housing of 300 adults and children stranded in that town by the storm. The traffic control and welfare departments bore the brunt of the load, but the accommodation list maintained to handle city evacuees proved invaluable and all stranded motorists were registered, fed and had billets arranged for them.

How different this was from the situation in Fort Macleod, which disbanded its Civil Defence Unit some months ago. Faced with the same problem of the welfare of stranded motorists, the work of caring for them fell on the RCMP and on the nurses at the hospital — all of whom were already under pressure as the result of about 15 storm-caused highway accidents. After this unhappy experience the Fort Macleod nurses are now asking the town council to re-activate and re-organize a Civil Defence Unit in that centre, for what has happened once can happen again and the value of an organization trained to deal with such emergencies was well proven by the manner in which the situation was handled at Nanton.

The same situation did not arise in Vulcan but the Civil Defence unit here would have been equal to the occasion if its services had been needed. Its volunteer workers are trained in communications, traffic control, welfare and other skills needed in such an emergency. Having such an organization is good insurance — insurance that pays off when the need arises.

— VULCAN UNIT E.M.O. —

"Those who carry leadership and management responsibility in public or private life cannot turn their backs on reasonable measures to minimize loss of life under nuclear attack or disaster conditions. Their leadership is particularly needed during quiet periods when little public enthusiasm can be expected for such activities. This takes persistence, courage and close co-operation — at all three levels of government."

CARDS OF THANKS

The members of the St. Aldhelm's Anglican Guild wish to express their appreciation to everyone who helped make the Rummage Sale a success. To those who donated, served and bought our articles, our sincere thanks.

We wish to convey our sincere thanks to all our friends in Vulcan. Your expressions of sympathy helped us in our sorrow over the loss of a loving husband and father.

—Mrs. Charles Fleming, Florence, Claire and Linda.

Clarence and Dot Nelson, would like to thank all their friends in Champion and district for the wonderful party held in their honor last Friday. The community and Lions gifts will always be cherished. A special thank you to the hostesses. Your kindness will always be remembered. 1-x

We wish to express our most sincere thanks and appreciation to our many friends, neighbors and relations for their many kind deeds, floral tributes and cards. Also to Dr. Herring, the nurses and staff of the High River Hospital during the time of Mr. Clifford's long illness and our sad bereavement. 1-x

—Mrs. Clifford and family.

We wish to thank our neighbors who so quickly rushed to our aid at the time the fire broke out on our farm. Your help was deeply appreciated. Thank you, one and all. 1-x

—The Somervilles, Vulcan.

IN MEMORIAM

Couple Wed At United Church

A lovely day was the setting for a wedding, April 25, when George Christofferson and Yvonne Klem were united in marriage at the Vulcan United Church. Rev. D. A. Sharpe officiated.

A reception held at the home of Mr. and Mrs. Roberts included guests Dr. and Mrs. Tompkins and Mr. and Mrs. Phil Lucas of Vulcan, Mr. and Mrs. Jones of Edmonton (bride's daughter and son-in-law), Mr. and Mrs. Roberts and Mr. and Mrs. Doug Tucker of Black Diamond, Mr. and Mrs. Christofferson of Acme, Mr. and Mrs. C. Sjogren and Mr. and Mrs. Van DeVan.

4-H

Club Notes

Mossleigh-Herrington

4-H Clothing Club

The Mossleigh-Herrington 4-H Clothing Club held their annual Achievement Day on Tuesday, April 28, 1964. The second, third, fourth and fifth year girls modelled the lovely clothes they made.

Congratulations to Val Johnston, Charlotte Koole and Marlene whose 4-H books were taken to Calgary by Mrs. Levitt.

Mrs. Levitt judged for the Achievement Day.

Mossleigh 4-H Girls Club

The Mossleigh 4-H Girls Club held their annual achievement day in the church with a large attendance. Annie Koster acted as master of ceremony. The club report was given by Cathy McNiven.

Entertainment included a demonstration entitled "Let's Face it" by Marlene Bertschy; a piano solo by Janie Randle; a reading "What is a Mother" by Joyce Hagedorn; a demonstration "Head Start on Style" by Dora Campbell; a musical skit by Lorraine Gingrass and Cathy McNiven and a violin solo by Suzanne Randle accompanied by Mrs. Paul Randle. The girls modelled the garments that they made with Sherry Randle playing the background music and Valerie Johnson commenting.

The program came to a close with Mrs. Lev

Valory Richardson Bride At Pretty Spring Wedding

Baskets of yellow daffodils decorated Vulcan United Church for the afternoon wedding on March 28, of Valory Joan Richardson, daughter of Mr. and Mrs. W. H. Richardson of Vulcan, and Fletcher Dennis Baskin, son of Mrs. Louise Baskin of Saskatoon.

Rev. D. A. Sharpe officiated at the double-ring ceremony with William Tompkins as organist. Margaret Giles, Ann Jamison and Myrna Jamison sang "Wither Thou Goest" and the Hawaiian Wedding Song.

The bride, who was given in marriage by her father, wore a floor-length gown of white satin faille with lilypoint sleeves, the tiny waist appliqued with French lace. Lenore Baskin, niece of the groom carried the train that fell in ample folds from a bustle back.

A coronet of pearls and crystal held the shoulder-length veil. She wore a black diamond necklace and earrings, gift of the groom, and carried a bouquet of American beauty roses tied with white satin streamers.

The bride was attended by her three sisters, Marie, Jo-Anne and Patricia, and Betty Knoch and Valeen Chow of Calgary. They all were attired in short turquoise greens with bouffant overskirts and matching headpieces and shoes.

They carried cascades of white carnations.

The groom's best man was Phil Johnston of Calgary. The ushers were Randy Baskin of Saskatoon, Fred Forster and Lorne Rawluk of Calgary and Jack Richardson of Vulcan.

The bride's mother wore a pink knit suit with pink accessories accented by a corsage of red roses. The groom's mother was attired in a pale green suit with white accessories. Her corsage was of talisman roses.

The reception was held at the Vulcan Lodge Hall, where 165 guests were served a delicious hot turkey supper. The master of ceremonies was Len Baskin of Saskatoon whose lively wit kept the guests happily entertained. Dr. Bernie Tonken of Calgary gave the toast to the bride, to which the groom suitably replied. Phil Johnston toasted the bridesmaids.

The bride's table was adorned by a three-tiered wedding cake which the bride and groom cut with a silver knife.

Following the reception a wedding dance was held in the upper hall. The bride and groom started the dance. They were joined by the attendants and guests, who enjoyed a lovely evening. During the evening the bride and groom slipped away. They later returned for a short dance before they left on their honeymoon. The bride wore a pink linen empire line dress topped with a grey 'little boy' coat with white collar and white befit black pumps and purse.

They spent a short honeymoon at Great Falls and Saskatoon.

Out of town guests were from Calgary, Saskatoon, Barrhead, Nanton and Lomond.

The sublime and the ridiculous are often so nearly related that it is difficult to class them separately.

—Thomas Paine

BASKIN — RICHARDSON

HIGH SCHOOL HI-LITES

CULMINATION NIGHT AT C.C.H.S.

The public is invited to visit the County Central High School on Friday evening, May 29. At this time the work of the students in Home Economics, Industrial Arts,

Fine Arts and Physical Education will be displayed. The girls of the sewing classes will present a Fashion Show while the students of the cooking classes will hold a Food Display, and serve lunch in the Home Economics Room. After the Fashion Show the Glee Club will sing several numbers and the students will give a display of tumbling and other aspects of their training in Physical Education.

In classrooms on the lower floor work done by the students in Art, Industrial Arts and Arts and Crafts will be exhibited.

The students are now finishing their projects in anticipation of this culmination evening. Final plans have not been completed, but it is expected the exhibit will open at 7 P.M. with the Fashion Show commencing at 7:30 P.M. in the gymnasium. All parents and friends will be cordially welcomed to inspect the work done by students of the C.C.H.S.

Farmers Share In Wheat Pool Dividends

Local farmers are currently sharing in the \$2,920,000 patronage dividend distribution being made by the Alberta Wheat Pool.

This dividend, declared by Pool delegates at their last meeting, applies to grain delivered to Pool elevators in the 1962-63 crop season. As in past years, part of the dividend is in cash and part is in reserves.

Wheat Pool agents are now distributing cheques covering the cash portion. Pool members may pick up their cheques by contacting their local agent.

The dividend on wheat, flax, rapeseed and mustardseed amounts to a little over 5 cents a bushel in cash and reserves, and to just over 2½ cents a bushel for oats, barley and rye. On seed grains marketed through the Pool's Seed Division, the dividend is about double these amounts.

G. L. Harrold, Pool president, said the per-bushel dividend is one of the largest ever paid in Western Canada and is possible only because of the loyal support thousands of members give their own elevators.

"This year's distribution," he added, "brings the total since the inception of the organization in 1923 to over \$36,000,000."

Local News

Well known as a teacher at Vulcan, Mossleigh, Arrowwood and Milo, Dr. Erwin Miklos of the Department of Educational Psychology, University of Alberta, Edmonton, was guest speaker at the annual meeting of the Alberta Federation of Home and School Associations held at Red Deer in April.

Three different countries are represented by three new nurses now employed at the Vulcan Municipal Hospital. The new members of the nursing staff are Miss Helga Sorensen from Denmark, Miss Julia M. Dakin from England and Miss Elinor Marshall from Scotland.

Lloyd Anderson Wins Car In Carmangay Draw

The Carmangay Curling Association's annual "500 Club" draw for a new car or \$2,500 in cash was won by Lloyd Anderson of Carmangay when the draw was conducted at the curling association's dance following the annual meeting, Friday, May 1. The door prize of \$20 was won by Elmer Christiansen of Picture Butte.

At the annual meeting, new officers elected were: Dorsey Street, president; Bert Blimkie, vice-president; Harold Lehto, secretary-treasurer; A. Mos Lazo, Keith Clark and Jack Ball, directors.

Immediate past president Clarence Greene expressed his personal thanks for the co-operation he had received throughout the year and mentioned particularly the great help the club had received from the ladies.

Square draw trophy winners for the past season were: Men's square draw, Rudy Hubka rink, with Jack Ball, Keith Clark and Bob Hubka. Mixed square draw, Billy Moore rink, with Marcella Moore, Eldon Neely and Earl Kaiser.

Out-going secretary Wally McIntyre read the financial statement, showing that the curling club has finally retired all its obligations and ends the season with a small cash surplus. The curling rink is now 10 years old and artificial ice was installed five years ago, everything now being completely paid for.

Hosts for the banquet were the members of the vice-president's team and catering was done by the United Church Women's Auxiliary.

EASTWAY

Howard and Clara Tharlie motored to Edmonton on Saturday to bring Helen home from the University.

A. Oldfield, R. Onstead, W. Cockwill, S. Cockwill and their families spent Sunday visiting west of High River with the Kinnear families at the Ralph Kinnear home.

District News

From Our Correspondents

ENSIGN

Mrs. Ila Turley entertained the members and past members of the County Birthday Club on Wednesday, April 29. Past members are Mrs. Elsie Vian of Turner Valley and Mrs. Irene Larsen. Two visitors were also present, Mrs. George Flebotte and Mrs. Vivian Hanna. All enjoyed the afternoon and delicious lunch served by the hostess.

Mrs. Molly Fisher visited at the home of her son-in-law and daughter, Mr. and Mrs. Al Thompson in Calgary for a few days last week and Phil O'Dwyer visited at the home of his son, Jim.

The Ensign General Store has been purchased by Harry Smith and is now operated by his son-in-law and daughter, Mr. and Mrs. Pat Carruthers. Harry Smith has also purchased the McFadden house in Ensign. It will soon be moved into Vulcan.

Folks of the Ensign district very generously donated a sum of \$234 to the cancer fund.

Visitors at the Harold Parker home for a few days last week were their son and daughter-in-law, Mr. and Mrs. Steve Parker of Trail, B.C.

KIRKCALDY

Mrs. Doug Wilson, Beth and Douglas, Miss Lorraine Roebuck and Mr. and Mrs. Morley Scobie attended the graduation exercises of Robert Wilson held in the Jubilee Auditorium, Calgary on Friday of last week. Robert has been attending the Southern Institute of Technology for the past two years studying electronic technology.

WOMEN'S INSTITUTE MEETING

The Kirkcaldy Women's Institute met at the home of Mrs. Joe Main on April 27 with 15 members and six visitors present.

Mrs. Bert Maisey presided with Mrs. Bob Cutler and Mrs. Stan Comstock assisting. Roll call was answered by Good Ideas on Gardening.

Miss Nettie Ware was thanked for her donation of an electric tea kettle to the community hall. Reports from committees were given.

Mrs. Newman of Blackie, District Director paid her official visit and gave a very interesting talk on the roll of women in the world today. Mrs. Maisey presented a gift to Mrs. Newman in appreciation of her visit.

Miss Nettie Ware was capable auctioneer for the plant auction which realized \$17.90.

Tea draw was won by Mrs. Roland of High River.

Lunch was served by the hostess.

LOMOND

Mr. and Mrs. Ronnie Fraser of Carstairs were weekend visitors at the homes of their respective parents, Mr. and Mrs. Alec Fraser and Mr. and Mrs. W. J. Hanson and family.

Friends will be sorry to learn that Danita Henrickson entered the Vulcan Hospital on Tuesday.

Best wishes for a speedy recovery are extended to Miss Sheila Hart who is a patient in the Brooks Hospital, suffering from pneumonia.

Mr. and Mrs. Ralph Richardson and family of Berrywater were Sunday visitors at the home of the latter's parents, Mr. and Mrs. L. M. Chase.

VULCAN WEST

Sympathy is extended to Dale Campbell and the Larson families in the passing of Dean Campbell last week. Funeral services were held in Vulcan on Wednesday.

Mr. and Mrs. Alan Wylie and Jean accompanied by Marilyn Perreault were visitors at the Ray Oldfield home in Calgary.

Robert Southworth, Sania and Wendy Daves of Calgary were Saturday and Sunday visitors at the Bob Hutton home.

Mr. and Mrs. Clarence Brown and David were Calgary visitors on Saturday.

4-H Club Members Judge Charolais Beef Cattle In Competition

On April 11th, members of the five 4-H Beef Clubs in the County of Vulcan met for their annual judging competitions. This, of course, is nothing new, but the breed of cattle being looked at, was new to many in attendance. The competitions were held at the Bob Gothard farm, eleven miles west of Vulcan and one half mile north. The breed cattle attracting attention was Charolais.

The decision was made by the County of Vulcan 4-H Beef Club Sale Committee. It was agreed that a new place and a new breed of cattle be located for this year's judging competition.

There were about 120 4-H members, peewees and parents at the judging competition. George Hay of Nanton acted as judge. His comments and observations on "What to look for when judging" were enjoyed by 4-H members and parents alike. Mr. Hay's remark, "Fat beef may have some waste, but meat with no fat at all or entirely lean meat, is all waste," caught the attention of all present.

The competition consisted of four calves contributed by members of the Vulcan West — Ensign 4-H Beef Club. All 4-H members placed this class and then gave written reasons on this class of market steers. The next competitions were the highlight of the day. The breeding classes were from Mr. Gothard's own herd of Charolais, and consisted of bull and cow classes. The bulls were part of a group being consigned by Mr. Gothard to the Camrose Charolais Sale later this month. Prior to the judging of the breeding classes, Mr. Gothard and Bob Cutler, leader of the Vulcan West — Ensign 4-H Beef Club, outlined the breed characteristics to be looked for in the Charolais breed. Following this Mr. Hay outlined some of the outstanding characteristics to be looked for in each of the major beef breeds found in this area. 4-H members had a new experience in judging these classes of breeding stock.

Winners of the judging competition in each club were: Ralph Seeley, Arrowwood Beef Club; Leighton Rushfield, Berrywater Beef Club; Marie Bolduc, Lomond Beef Club; Leonard Robinson, Mossleigh Beef Club; Wayne Lucas, Vulcan West — Ensign Beef Club. District Winner was Leonard Robinson of the Mossleigh Beef Club.

The afternoon concluded with lunch in the Gothard home.

Every hour of every day in Canada, someone receives a free blood transfusion.

Double-ring Wedding For Tom Wylie

In the Vulcan United Church, on March 21, 1964, a very pretty double-ring wedding took place when Vivian Josephine, youngest daughter of Mr. and Mrs. J. Wesley Everett of Claresholm was united in marriage with Thomas James Wylie, son of Mr. and Mrs. Wm. Wylie, Jr., of Vulcan. Rev. Donald Sharpe officiated at the ceremony.

The bride entered the church on the arm of her father, to the strains of the wedding march played by Billy Tompkins. The bride chose a white street-length gown of nylon finet and chantilly lace featuring a sabrina neckline and three-quarter length sleeves, with a full bouffant skirt of satin over pelon. Her shoulder-tip veil was held in place by a circular pearl head-piece. She carried a nosegay bouquet of red rosebuds and lily of the valley with white satin streamers. The only jewelry the bride wore was a pearl necklace, a gift from the groom.

The bride was attended by two of her sisters-in-law, Mrs. Eleanor Everett of Calgary, and Mrs. Ruth Richardson of Vulcan, as bridesmaids and her sister, Mrs. Audrey Hoffman, of Claresholm, as maid of honor. They wore identical street-length dresses of green satin featuring overskirts of nylon finet, with matching headpieces, white accessories and pearl necklaces, a gift from the bride. They carried nosegay bouquets of white carnations sprayed with green.

Jerry, Ted and Bill Wylie, brothers of the groom, acted as best men and guests were ushered to the pews, marked with white bows, by George Richardson of Vulcan, and Ron Everett of Calgary.

The bride's mother chose a fitted green brocade dress with gold accessories and she wore a corsage of gold carnations. The groom's mother chose a dress of midnight blue net over satin with pastel blue accessories and she wore a corsage of deep pink carnations.

"The Wedding Prayer" was beautifully sung by Mrs. Mary-Jane Hilz as the wedding party stood at the altar; during the signing of the register she sang "I Love Thee".

Marilyn Johnson, of Claresholm, was in charge of the guests book.

A reception for 70 guests was held in the church basement. The

WYLIE — EVERETT

head table was beautifully decorated with a three-tiered wedding cake. Two large baskets of carnations were placed in front of the table to enhance the occasion. Jerry Wylie, toast-master for the afternoon, read telegrams from friends and relatives. Bill Lang of Claresholm, proposed the toast to the bride, and was very ably responded to by the groom. Rev. Sharpe said a few words to the happy couple which were enjoyed by all. Mrs. Hilz, accompanied by

Billy Tompkins at the piano, sang "I'll Walk Beside You".

At the close of the reception, Mr. and Mrs. Wylie opened the many lovely wedding gifts that were placed on the large table behind them.

Following the open house at the home of Mr. and Mrs. Wm. Wylie, Jr., a wedding dance was held at Alston.

Guests were from: Claresholm, Turner Valley, Alston, Mossleigh, Calgary, Vulcan and Saskatchewan.

nounce that they will again reach their quota.

The Vulcan County Band program held in the school auditorium on Saturday evening was very much enjoyed by all present. There were 27 persons playing in the band. The Blackie Home and School Association sponsored the evening and proceeds were turned over to the new hall fund. Pupils in Mrs. I. Raycraft's class at school made the posters and those winning free passes to the concert were Jim Sewell, Dane Wray, Terry Palmer, Brenda Meadows, Carol Dudley and Susan Laycraft.

Mr. and Mrs. Mel Clingman and family spent the weekend visiting at the home of her brother and sister-in-law, Mr. and Mrs. Thompson at Cochrane.

Friends of Ed Hoppla, who is a patient in the High River Hospital, wish him a speedy recovery.

Extensive renovations to buildings are being made this spring, including the Foothills garage and shop which is sporting a new steel roof as well as new siding and paint.

Following the regular meeting of Fairview Rebekah Lodge on Monday evening, the members were entertained by Mrs. Art Johnston and Mrs. Alex Paul who gave a very interesting account of their recent trip to various States including Nevada and California and also of Mexico. Colored pictures were shown of some of the most interesting stops.

Mr. and Mrs. Wes Kennedy and daughter, Marcia of Drayton Valley, accompanied by his mother, Mrs. J. Kennedy of Brant, were visitors at the home of the latter's mother, Mrs. E. Braunwarth.

Mr. and Mrs. George Whillans have bought the Mrs. M. Briggs' home and moved into it on the weekend. Mrs. Briggs will be living in Calgary at the homes of her daughters, Mrs. Tom Watson and Mrs. Pete Dimmer.

Mrs. Dalton McDougal and Mrs. John Soderquist motored to Drumheller on Thursday, returning Friday with their aunt, Mrs. Rose Root who spent the weekend here.

Mr. and Mrs. Hec McLean are visiting for the week at the home of their son and daughter-in-law at Estevan, Sask.

Get well wishes are extended to John Gillanders, a patient in the High River Hospital.

(Continued From Front Page)

ed arguments on behalf of his wife, and stated that it was their opinion that the road was not of sufficient importance to warrant the spending of municipal funds in its construction, and also the great inconvenience and devaluation of their property. A number of the councillors expressed the opinion that the road was very desirable and it was greatly in the public interest that the road be provided for the people to gain access on the south side of Little Bow Park.

Other roads in the immediate vicinity were discussed, and Mrs. Scott made a proposal to the council that she had requested that a new road be built to her property by the council, and suggested that a compromise might be effected if the County would agree to their proposals. It was agreed that Mr. and Mrs. Scott meet Mr. Haga and other councillors at the site of the road on Tuesday, April 21, at 2:00 o'clock in the afternoon, to consider her request for a road into her property and make an effort to settle the matter of the land for the roadway through the N.W. 34-14-22-4 on a purchase basis.

The secretary read the Foothills Full-time Health Unit requisition for the information of the council. It was noted that the County of Vulcan requisition was \$6,222.32 for the year ended March 31, 1965.

A letter from F. W. Mason in respect to the well at Farrow, was read. The letter asked that the well be cleaned out and fixed up. It was noted that this well was only being used by Mr. Mason who is an elevator agent, and it was felt that this was not a county responsibility.

It was moved and carried that the county advertise for lease for one year the N.W. 4 and N.W. 5-16-18-4.

Mr. Haga, chairman of the municipal committee, discussed with the council matters of interest in the public works department, and some discussion was held over the idea of starting a reserve fund to be used to institute a paving program in a year or two. This matter would be further discussed at the time the 1964 budget was considered at the May meeting.

MUNICIPAL MEETING

The regular April meeting of the Municipal Committee of the County of Vulcan No. 2 was held on Wednesday, April 15. Committee Chairman Ivan Haga presided, and Committee Members F. E. Hubka, A. W. Ulrich, M. Willard and D. A. McNiven were present. Also present at the meeting were J. O'Reilly, maintenance foreman; Martin Dersch, construction foreman; R. Brown, shop foreman, and D. D. McQueen, secretary-treasurer. The meeting convened at 10:30 in the forenoon.

It was moved and carried that authorization be given to pay Shaw Construction Co. Ltd. \$30,000 on account for gravel crushing.

It was moved and carried that the county order 100 culvert markers.

The committee members spent a good deal of time discussing the matter of paving, and the advisability of instituting a reserve fund to be used at a later date in a paving program which might be commenced. It was moved and carried that the committee recommend to the county council to include the sum of \$50,000 in the 1964 budget to be set aside for future paving.

SCHOOL COMMITTEE MEETING

The regular April meeting of the School Committee of the County of Vulcan No. 2 was held on Monday, April 13, 1964. Committee Chairman J. M. McKay, presided, and Committee Members Frank Thurber, A. McAllister, Earl Erickson, R. O. Bertrand and George Moses were present. Also present at the meeting were E. K. Hawkesworth, superintendent, and D. D. McQueen, secretary-treasurer. Guy Voisey, committee member from the Town of Vulcan, was absent due to illness.

A letter from the building inspector, Department of Education, in respect to the Milo School was read. It was noted that the store-room which was built in one of the halls should have half-inch plasterboard finish on the inside.

It was moved and carried that the committee authorize one principal to attend the Leadership Course for Principals this year, and that the County would pay the expenses of \$200.

The members of the committee inspected the progress of the work

being done at the high school and also the steel teacherage properties. Mr. O'Reilly was present and discussed with the members the manner in which the grounds should be landscaped and the properties improved. Authorization was given to have the cement foundations stuccoed.

The committee considered Mr. O'Reilly's request to purchase a 4-horsepower garden cultivator for use in landscaping of the various teacherages in the county. It was moved and carried that the county purchase a 4-horsepower garden cultivator from M. R. Morrison Ltd. for \$168.

It was moved and carried that a request be made to the Department of Education to designate Vulcan as a Supplemental Examination Centre this summer.

It was moved and carried that the Western Canada Hardware tender of \$10,175 for hardware on the High School addition be approved.

A letter from the principal of the Vulcan Elementary School, advised that the teachers had discussed at one of their meetings some suitable recognition of Miss Hazel Cameron, who had been a teacher in the elementary school in Vulcan for over 30 years and who had recently passed on. It was suggested that the Vulcan Elementary School be named the Hazel Cameron Elementary School in honor of Miss Cameron who had taught so many pupils in the Vulcan area. It was moved and carried unanimously that the Vulcan Elementary School be renamed the Hazel Cameron Elementary School.

It was moved and carried that authorization be given to Mr. Hawkesworth to make arrangements for teaching load at Brant and engage a part-time teacher if necessary.

It was moved and carried that authorization be given to combine the Grades 1, 2 and 3 at Mossleigh under one teacher, and Grades 4, 5 and 6 at Mossleigh under one teacher.

It was moved and carried that the following teachers be granted a year's leave of absence from the teaching staff of the County of Vulcan for the purpose of attending university, leave of absence to be without salary: Don Green, Miss Patricia Monner and Mrs. Alice Thurber.

It was moved and carried that the following resignations from the teaching staff be accepted with regret: Ralph Scott, Miss Frances Summers, Miss Emilie Kaminski, Wm. D. Andrews, Mrs. Delaine J. Ockey and Robert A. Hill.

It was moved and carried that the following teachers be placed on staff: Arthur Bailey, Junior High, Vulcan; Miss Margaret Baines, Carmangay; Mrs. Sylvia Lebsack, Champion; Mrs. Frances D. Anderson, Carmangay.

It was moved and carried that Erwin Unrau be acting-principal of the school at Mossleigh in accordance with the recommendation of Mr. Hawkesworth. Mr. Unrau would be transferred from the Arrowwood staff.

It was moved and carried that Delbert Olsen of Milo be transferred to be acting vice-principal of the Hazel Cameron Elementary School, Vulcan.

On the recommendation of Mr. Hawkesworth, superintendent, the following teachers were designated for appointment to the permanent staff: Miss Nadine Papove, Milo; Keith Wagner, Milo; Joseph Eberl, Vulcan; James Dean, Mossleigh; Albert Kardash, Lomond; Miss Beverley Thorp, Brant; Miss Colleen Auld, Lomond; Mrs. Donna McAskile, Vulcan; Mrs. Anne Remple, Vulcan; Ritchie Whitehead, Vulcan; Harry Rempel, Vulcan; Norman Richards, Circuit; Patrick McGaffin, Vulcan; George Garnett, New Dale Colony.

It was moved that authorization be given for Walter McNiven to engage as an intern teacher for a minimum of two weeks under James Dean at Mossleigh.

It was moved and carried that

Mrs. Sukut be engaged as a part-time teacher.

It was moved and carried that Mr. Brinton, teacher at Champion, who is the president of the Champion Home and School Association, be granted permission to attend the Home and School Convention at Red Deer at no loss of salary, and that the county will pay the substitute.

It was moved and carried that the rate of pay for intern teachers be \$8.00 per day.

Committee members discussed the matter of a library course, and it was moved and carried that authorization be given for a bursary of \$100 to teachers who desire to take library training at summer school, the offer to be limited to the Hazel Cameron Elementary School, Lomond School and Milo School.

The committee instructed the secretary to write to the Lomond Home and School Association that the library books are being considered and a supply for Lomond will be forthcoming in due course.

It was moved and carried that the committee instruct H. H. Mumby to proceed with the adult education on the basis of his submission as amended.

It was moved and carried that the committee authorize Mr. Hawkesworth to revise the bro-

NOTICE

To people who have had an active interest, or participation, in education in the

One-Roomed Rural School

during the past 50 years.

This particularly applies to former teachers, former students, former school board members, former secretaries, former inspectors, parents, etc.

The one-roomed school which for the past fifty years has guided successfully the educational destinies of thousands upon thousands of rural children is rapidly becoming as extinct as the dodo. In 1939 there were 3,032 one-roomed schools in Alberta, and in 1963 there were less than 150 such schools. These prairie schools have closed their doors forever, and the farm children have departed by means of the yellow bus to distant centralized chromium-plated educational institutions.

The history of the rural school was a proud moment in the building of the Canadian West. In the fifty years that they operated these one-roomed educational institutions made contributions to the cultural, social, and intellectual development of the West far out of proportion to the few demands that they made.

For the past ten years I have been collecting, organizing, and evaluating first-hand materials about the history of the one-roomed rural school. Now, I am in the process of writing a book on the "Little White Schoolhouse" to preserve in word and picture the once proud educational institution of the prairie. I am doing this because, first, I feel that such educational history should not be lost; and, secondly, a very selfish motive, I plan to submit this material to a university as a thesis towards earning a doctor's degree in education.

In spite of all the years of research that I have spent on the one-roomed rural school, and the fact that I taught in a rural school for three years, I know there are items and views that I have missed. Hence I am appealing to all interested people to help. I would like to portray the very life and spirit of the rural school rather than a conglomerate of cold statistics. If you have had interesting personal experiences, heard of unusual incidents, or have historical information or pictures pertaining to the one-roomed school I would like to include these in the book. Whether the information is summarized in two sentences, or in several paragraphs, your assistance will be appreciated.

Here are a few topics about which I would welcome more information: Name of the school district and how the name originated; steps the pioneers followed in forming a school district; the school pony; travelling to and from school; ratepayers meetings; boarding the teacher; the rural teacher; teacherages; Christmas concerts; visit of the inspector; various church services held in the school; schoolboard meetings; school picnics; outhouses; the school stable; how recesses were spent; mice, gophers, or skunks in the school; dances in the schoolhouse; lunches; discipline in the school; the use of the strap; Departmental Examinations in grade VIII or IX; janitor services; supplying drinking water; library; school clothes; lighting and heating the school; the school-yard; the barn as a den of iniquity if unsupervised; the white or black blizzards; sports or recreation; various social functions held in the school; the teacher's desk; equipment like desks, water fountains, the pot-bellied stove, washing facilities, etc.; using straight pens and ink; prairie fires; acts of bravery; music; chores; teacher's and janitor's pay; school architecture; humorous incidents (I have devoted an entire chapter to this topic); etc.

If you wish to contribute any information or pictures please mail your material to: Mr. John C. Charyk, Principal of Hanna High School, Hanna, Alberta. I am estimating that it will take me a year to finish writing the book.

Please remember that your knowledge and information about the rural school may be lost forever unless it is recorded in permanent form. History is a perishable commodity and can easily slip through the hands of mankind leaving our traditions just that much poorer.

If you yourself cannot help, please pass on the above request to your friends who might be able to supply the required information.

Thank you most sincerely for any response that you might be able to make to this appeal for "one-roomed rural school history".

—John C. Charyk

WHAT IS LIFE?

Why do whales have to come to the surface of the ocean to breathe?

Whales are not really fish. They are mammals and belong to the same group of animals that we do.

They breathe air and cannot breathe water. They have developed an ability to dive and to stay under water for some time but they do so just as human divers do by increasing their lung capacity so that they can take a large amount of air at one breath.

PORTER — ANDERSON

Carmangay United Church
Scene of Spring Wedding

The Carmangay United Church was the setting for the wedding of Janette Anne, second youngest daughter of Mrs. Lydia Anderson and the late Clarence Anderson of Carmangay, and Horace Perry Porter, eldest son of Mrs. Eleanor Porter of Hebron, Nova Scotia. Rev. Fyke performed the double-ring ceremony.

Given in marriage by her eldest brother, Lloyd Allan, the bride chose a floor-length gown of Peau de sole featuring a scalloped neckline and lily-pointed sleeves, her shoulder-length veil was held in place by a small crown of pearls and rhinestones. Her only jewellery was a necklace of pearls. She carried a bouquet of red roses.

Miss Sheila Heward of Claresholm, maid of honor, chose a street-length dress of coral pink crepe and her head-piece was a white wedding crown with a bow in front, and she carried a bouquet of coral and white carnations. Her bridesmaid was her sister, Miss Jolayne Anderson, who chose a street-length dress of aqua crepe and her headpiece was also a white wedding crown. Her bouquet was aqua and white carnations.

The groom's attendants were Melvin Esser and Jerry Myagawa, both of Lethbridge. Glenn Anderson, brother of the bride and Donald MacRae, cousin of the bride were ushers.

The pianist was Mrs. Lenora Baldwin of Carmangay and Mrs. William Gray was soloist who sang The Wedding Prayer while the couple signed the register.

The reception which followed was held in the Community Hall, where over 100 guests sat down at beautifully decorated tables in pink and blue streamers with baskets of pink roses.

The bride's table was centered with a three-tiered wedding cake baked by her sister, Mrs. Doreen Trapp. Lawrence Delwuth of Turin, cousin of the bride was Master of Ceremonies. The toast to the bride was proposed by Elmo Brandvold. Mrs. Gray sang a solo, Neath the Old Olive Tree. Miss Arlene Dahl played a piano solo. Miss Shirley Mae Wennes, cousin of the bride was in charge of the guest book. Mrs. Betty Anderson and Mrs. Pat Anderson attended the gifts.

For her going-away outfit the bride chose an aqua-colored suit with black and white accessories and a corsage of pink sweetheart roses.

Out-of-town guests at the wedding were from Calgary, Cardston, Coutts, Pincher Creek, Lethbridge and Rocky Mountain House.

Mr. and Mrs. Perry Porter have now taken up residence at 11122 76 Ave. in Edmonton.

Wheat Streak Mosaic

Wheat Streak Mosaic, a disease that can devastate winter and spring wheat and often damages barley, is more prevalent in certain parts of the winter wheat area this year than it has been for over a decade. The amount of damage it will cause to spring sown crops may well depend upon action taken prior to seeding.

Winter wheat infected with Wheat Streak Mosaic in the fall serves as a source of the disease in the spring. Most likely to be carrying the disease are winter wheat crops that were sown last

Urges Halt On Firearms Legislation

Speaking from the western viewpoint on behalf of rifle clubs and other organizations which encourage the use of rifles and pistols for recreational and competitive shooting, Lawrence E. Kindt, MP for Macleod, urged in the House of Commons that no further legislation that would restrict the ownership or use of firearms be considered.

Mr. Kindt's remarks, as reported in Hansard of April 7, were as follows:

Mr. Chairman, I should like to direct a few remarks to the Minister of Justice in connection with some letters I have received from presidents of rifle clubs. I have one in my possession from the Coleman rifle and revolver club, Mr. John W. Dean. I have another from the Okotoks shooting club, from the president, Mr. Denis Gough. I have many others in my file which I have referred to the minister, but up to now I have not received what seems to me a satisfactory explanation of either his views or the views of his government with regard to bringing forward legislation to restrict the use of firearms by private citizens.

Some of these clubs from different gun clubs, and I fear that some irresponsible legislation might be brought forward by the justice department concerning the ownership and use of firearms by private citizens. In essence their views with which I agree, are that they do not think that further legislation, would be of any value, to unarm the irresponsible gunman.

I should like to add that when you go to outlying spots in western Canada the use of firearms is even encouraged among juniors. May I cite to the Minister of Justice an experience I had last summer at Aklavik in the Northwest Territories where the principal of the school conducted target practice in the basement of the school, teaching children the science of using firearms so that they might become skilled in shooting muskrats on the Mackenzie river delta. The same thing happened among the Indians at Old Crow. It is nothing uncommon to see young people in the west using 22's and other firearms to shoot gophers, and so on. I think it is a fine thing for these young people to gain experience, and the justice department should be encouraging them, rather than restricting the use of firearms and bringing forward legislation to this effect.

May I have the attention of the minister, because I am talking to him direct; it is his department which is concerned. I hope that he in turn will pay proper heed to these requests which are coming in

from different gun clubs, and I trust he will think seriously before making any move to introduce further legislation to restrict the use of firearms in the hands of private citizens.

May I have the attention of the minister, because I am talking to him direct; it is his department which is concerned. I hope that he in turn will pay proper heed to these requests which are coming in

from different gun clubs, and I trust he will think seriously before making any move to introduce further legislation to restrict the use of firearms in the hands of private citizens.

District News

CARMANGAY

Miss Colleen Cameron of Wasa, B.C., and Miss Barbara Brown of Cluny, both attending Mount Royal were weekend guests of Miss Sharon Clark recently.

Congratulations are being extended Mr. and Mrs. Earl Leong on their recent birth of a son at the local hospital.

Miss Patricia Ewing obtained a mark of 83 in both solos, standing third in the Lethbridge Music Festival being held last week.

Mr. and Mrs. Roy Craig have arrived home from their winter vacation which was spent in Arizona.

Be a booster for the Little League and Babe Ruth Baseball teams.

The Little League play on Monday and Thursday and their games start at 5:00 p.m., while the Babe Ruth home games are on Tuesday and start at 5:45 p.m. Coaching Little League is Ron Toutant and the Babe Ruth coach is John Hubka, assisted by Miles Letal.

Mr. and Mrs. Loren Roemmele and Bryan and Mr. and Mrs. Dennis Roemmele of Olds were Carmangay visitors for the weekend.

ORDINATION SERVICE

The Ordination service for Al-ber Collier of Vulcan and Peter McCalman of Calgary was held in St. Peter's Anglican Church, Calgary and was attended by many parishioners from Vulcan, Lomond and Carmangay, with Bishop G. R. Calvert of Calgary officiating. Mr. Collier was layreader at Emmanuel Church, Carmangay before entering college at Saskatoon. He also served in the other parishes and was active in the Scout movement.

During the reception Eric C. Collier of Carmangay presented a stole to his cousin, the newly ordained deacon from the parishioners of Emmanuel Church.

Those attending the service from Carmangay were Mr. and Mrs. Eric Collier, Mr. and Mrs. W. V. Knight, Ward Knight and Mr. and Mrs. Walter Nielson.

GUILD MEETING

The Anglican Guild of Emmanuel Church met at the home of Mrs. Lee Baldwin when the Rev. V. G. Cowell was present to complete plans for the Rogation Sunday Service on May 3.

Following the business meeting a discussion of Censorship, proved very interesting. One conclusion was that what applied to films also apply to television. The spring Deanery Women's Association meeting was held in Turner Valley on May 5, and ladies from here attended.

The next meeting will be held on May 28, at the home of Mrs. Wes Knight.

EXECUTIVE MEETING

Due to the sudden snow storm in April no Home and School meeting was held in Carmangay, so the executive met recently to discuss and finalize plans for the track meet which is being held on May 15 at the Carmangay school.

Parents are invited to come and have a pot luck dinner with the students. Notices will be sent out to each parent concerning this matter. Ice cream will be served during the afternoon to all attending, compliments of the Home and School Association.

A regular Home and School meeting will be held on May 21 at the school when Mrs. Hakon Anderson and Mrs. Roy Johnson will hold their art display which was to be held in April.

CURLING CLUB HOLDS CLOSING SUPPER AND DANCE

The Curling Club held its closing supper and dance on Friday evening.

At the banquet, election of officers was held for the men's curling club, 1964-65, and are as follows: President, Dorsey Street; vice-president, Bert Blimkie; secretary-treasurer, Harold Lehto; directors, Amos Lacro, Kieth Clark and Jack Ball. Wally McIntyre retired from secretary-treasurer after five years in office.

The winner of the car draw was Lloyd Anderson and door prize winner was Elmer Christensen of Turin. The draws were made by Walt Nielsen.

HERRONTON - FARROW

The April meeting of the Farrow United Church Women was held at the church with Mrs. David Randle and Mrs. Leo Cooke serving lunch. Mrs. Wm. Groeneveld gave many gardening hints for the program. The May meeting is to be at the home of Mrs. Paul Randle with each member to bring a guest and bazaar articles which are to be auctioned off.

The UCW catered for the Steven's Bros. sale.

Miss Varnita Westersund and Earl Betchel have both secured employment in Calgary.

Working on the land became general the past week but seeding has not yet commenced.

Sandra Miller was a recent measles victim.

Congratulations to Marlene Tressider on winning three first prizes

and a gold medal in the tumbling competitions held at Nanton.

Among those who travelled to Lethbridge to the Music Festival were Mrs. Lorne Maisey, Mrs. Mel Malmberg and Mr. and Mrs. Joe Howe. The Grade 5 and 6 room from Mossleigh took part in the competitions and came out with 85% and third place. Congratulations go to the pupils and their teacher, Mr. Deans.

Among those who have returned to their homes after being in Calgary all winter at school are Randy Malmberg and Gary and Bob Beagle. Marvin Despas has also returned to his home. Donald Thomas has secured employment on Vancouver Island.

Mr. and Mrs. Dick Thomas have spent considerable time in Tennessee at the home of the latter's parents where her father has been gravely ill.

Congratulations to Mr. and Mrs. Dick Fox (nee Betty Stevens) of Calgary on the birth of a daughter, Diane Patricia on April 10.

Services at the Farrow United have been changed to 10:30 a.m. for the summer months.

A very pretty shower was held at the Dinton Hall in honor of Miss Shirley McWilliam who will be married May 9. After several singing numbers by the Paul sisters of High River and a contest, Mrs. Wm. Groeneveld presented the gifts from the large gathering. They were carried in by Bonnie Dawson and Lorene Gillanders. The bride elect very capably thanked the ladies and invited them all to her wedding and also to visit her at Torrington.

BRANT

On Friday, May 1, Mr. and Mrs. P. Gallagher, Mrs. Louise Gingras and Caroline Gingras attended the graduation exercises, banquet and dance at the Southern Alberta Institute of Technology, Calgary, where Maureen Gallagher has been taking a two-year course in Merchandising Administration and Philip Gingras the year course in Diesel Engineering. About 500 students are in the graduating class and about 2000 attended the exercises.

Mr. and Mrs. Richard Radki and family were weekend visitors at the home of Mrs. Radki's parents, Mr. and Mrs. Edward Auld.

Mr. and Mrs. Ronnie Dielissen were Sunday guests at the home of the latter's parents, Mr. and Mrs. Oscar Jorstad.

Those people who attended the three plays presented by the Drama 10 class of the County Central High School, Vulcan, on May 1, had a very pleasurable evening. Those taking part from Brant were Donna Green, Nadene Eliuk and Dianne Gingras.

Mr. and Mrs. Brant Parker are to be congratulated on the birth

of a granddaughter. Mr. and Mrs. Charles Silvestre (Arlene) are the proud parents.

The Bible Class met at the home of Mrs. Inez Prater on Tuesday. Mrs. Don Pearson has returned holiday.

to her home in Edmonton after visiting relatives in Brant, Vulcan, Macleod and Railey. Her mother, Mrs. M. Jensen has returned to her home in Brant after a lengthy holiday.
